

No. 19011/29/2013-MPR
Government of India
Ministry of Chemicals & Fertilizers
Department of Fertilizers

Shastri Bhavan, New Delhi
Dated the 19th February, 2016

OFFICE MEMORANDUM

Subject: Notification of Jhamarkotra Rock Phosphate Chips (30% P₂O₅) as primary raw material for manufacturing SSP under the NBS Policy.

The undersigned is directed to refer to this Department's letter No. 19011/33/2001-MPR dated 10.8.2005 regarding use of grades of Rock Phosphate for manufacturing SSP under the Concession Scheme/NBS Policy. These guidelines, inter alia, lay down that Department of Fertilizers will notify the grade/blending of Rock Phosphate after one year, after being satisfied about the feasibility of production of SSP, as per the FCO specification, based on the recommendation of PDIL.

2. Based on the recommendation of PDIL, SSP industry was allowed provisionally for a period of one year to use RSMML's Rock Phosphate Chips having 30% P₂O₅ content as primary rock phosphate for manufacturing SSP under the NBS Policy.

3. Now, based on the final recommendation of PDIL, RSMML's Rock Phosphate Chips having 30% P₂O₅ content is hereby notified/specified for using as primary rock for production of SSP under the NBS Policy with immediate effect, by the SSP industry.

4. This issues with the approval of the competent authority.

(P.B. Sahu) 19/2/16
