MESSAGE

I am glad to learn that Department of Fertilizers is observing Swachhta Pakhwada from 01st - 15th September, 2020.

I have been informed that all Public Sector Undertakings and other Organizations under the Department of Fertilizers are participating in the Swachhta Abhiyan in a big way. Swachhta Pakhwada has gained even greater importance this year in view of the outbreak of COVID -19 pandemic. I am confident that the efforts of the entire Fertilizer Industry, dealers & traders will yield visible positive results in the country's endeavor for cleanliness.

I heartily appreciate all the officers and employees of the Department for their efforts.

I extend my best wishes to make the Swachhta Pakhwada a success.
